

AVM
GROUP OF SCHOOLS

Shaping Indian leaders for the world.

AVM Schools
have produced future-ready,
successful, happy individuals,
grounded in human values
since 1962.

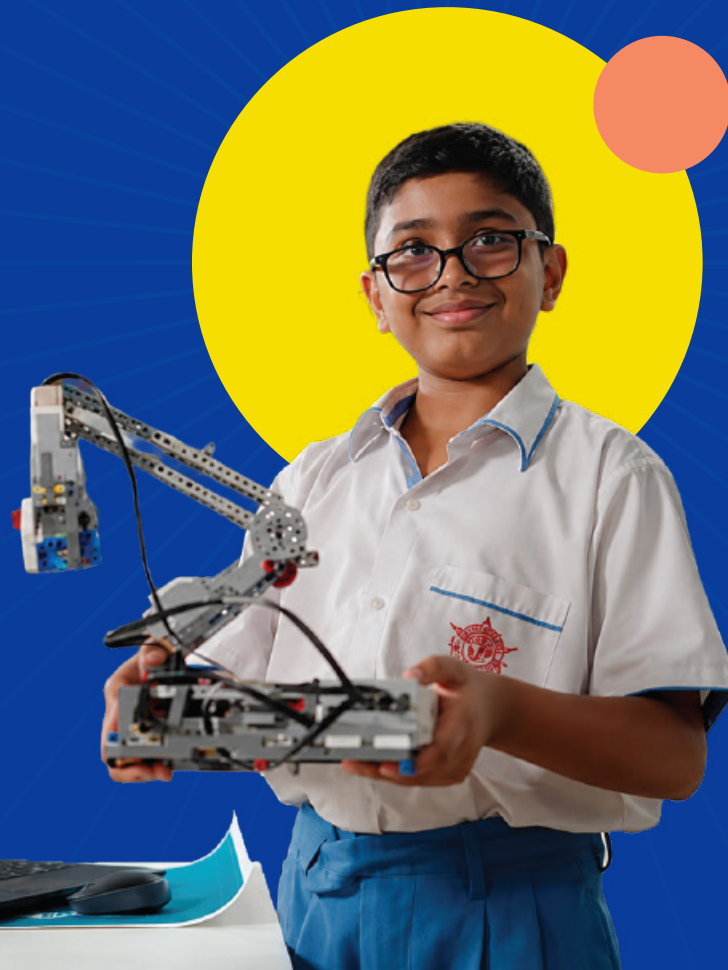

We believe strong Indian values with progressive education are the foundation of success in a changing world.

AVM nurtures global citizens, confident thinkers, high achievers and compassionate leaders, who face the world with integrity and purpose.

Six decades of teaching children how to think.

AVM's K12 education shapes students with strong values, thinking skills, and knowledge to navigate what lies ahead.

» Learning to think and solve for the future

At AVM, learning is applied through projects, debate and hands-on exploration. They start early with coding, learn AI and develop the skills to innovate, collaborate and solve real-world challenges.

» Holistic life skills through sport, art and service

Whether training for dance competitions, learning teamwork through sports, or community engagement initiatives, AVM teaches students empathy, leadership, and how to handle both victory and setbacks.

» Values that shape character and performance

Students develop discipline, responsibility, self-reflection and respect. Qualities that sharpen focus, strengthen collaboration, and build resilience, driving success well beyond the classroom.

» A foundation for lifelong success

Strong AVM Values of discipline, integrity, clear focus and clarity of purpose enable confident transitions to higher education. AVM alumni move into diverse career pathways across the sciences, humanities, entrepreneurship and public service.

Three campuses. One shared philosophy.

Each AVM campus reflects the same philosophy, academic excellence and commitment to holistic student development. Across locations, students experience consistent standards, pedagogy and care, supported by strong central academic leadership.

AVM Bandra West

Home to over 1500 students, and administration that conceptualise and guide AVM's progressive teaching practices.

AVM Juhu Smt. Ramdevi Sobhraj Bajaj Arya Vidya Mandir School

The Juhu campus was AVM's second campus, built within a vibrant residential

AVM Bandra East Vasudev C. Wadhwa Arya Vidya Mandir

A contemporary, purpose-built campus, with flexible learning spaces and advanced infrastructure.

PLAYTRAILS (EARLY YEARS)

Where the joy of learning and character building takes root.

Playtrails introduces children to learning through exploration, creativity and discovery, building confidence and curiosity from the earliest years.

- ▶ Play-way exploration that makes learning meaningful and memorable
- ▶ A transdisciplinary approach combining language, numeracy, movement, creativity and environmental awareness
- ▶ Values woven into everyday learning to build the foundation for lifelong growth

- ▶ Early development of communication, motor skills, creativity and social confidence
- ▶ Exploration of technology and computational thinking through play
- ▶ Individual attention through AVM's Assisting Young Minds (AYM) framework

PRIMARY SCHOOL (STD 1-5)

Where strong foundations grow into skills for life.

Primary school at AVM shapes early curiosity into structured thinking through engaging academics, creativity and real-world applications.

- Application based learning with curated resources until class 7 encourages students to read, research and think independently
- Experiential learning helps students understand and apply concepts through inquiry, collaboration and reflection
- Design thinking develops problem-solving, empathy and creativity

- Gamification and blended learning reinforce understanding
- Performing arts, recitation and yoga build cultural grounding and confidence
- Learning is designed to give every child the right level of challenge, guidance and encouragement

SECONDARY SCHOOL (STD 6–12)

Shaping confident achievers, ready for the world.

The secondary school years are designed to turn potential into performance through academic rigour, progressive learning and strong values.

- ▶ Inquiry-based and interdisciplinary learning builds strong academic foundations
- ▶ Frameworks like CoRT Tools and Visible Thinking Routines nurture clarity of thought
- ▶ STEM learning, coding, robotics and lab-based science build future-ready abilities
- ▶ Career guidance, entrepreneurship and University readiness prepare students for life beyond school

- ▶ Personalised academic support and leadership opportunities help students discover pathways for life
- ▶ Sports, arts, theatre and co-curricular programmes ensure holistic growth
- ▶ Research, innovation and presentation projects strengthen confidence and communication

ISC (STD 11-12)

The pathway to leading universities. And lifelong success.

Built on AVM's legacy of academic excellence and holistic development, the ISC Programme at our Bandra East campus empowers students with the knowledge, confidence and future-ready skills to thrive at leading global and Indian universities.

Every student benefits from personalised mentoring by experienced faculty, dedicated career counselling and university guidance. Internships and a rich programme of leadership experiences, sports, clubs and co-curriculars provide real-world learning opportunities.

Choose your path

Commerce

Ideal for aspiring entrepreneurs, business leaders, economists and finance professionals.

Humanities

For careers in psychology, law, media, public policy, research and the social sciences.

EXTRA-CURRICULAR PROGRAMMES

Nurturing every child's unique talents.

Extra-curricular programmes at AVM help students discover interests, build confidence, develop teamwork and strengthen leadership abilities alongside academics.

Community service initiatives build empathy and responsibility

Sports develop teamwork, resilience and sportsmanship

Music, dance, theatre and visual arts nurture creativity, discipline and confidence

Student councils, clubs and student-led initiatives foster confidence, responsibility and leadership

Robotics, coding clubs and innovation challenges encourage collaboration and problem-solving

Teachers empowered to shape future-ready learners.

At AVM, teachers are not just educators, but also students of continuously evolving teaching practices. They combine experience with progressive learning approaches to create impactful classroom experiences.

Education that builds values, critical thinking and lifelong success.

"AVM taught me the ability to be grounded and adapt to any environment. It shaped my personality in a way that made me strong, gave me faith in god, great foundational learning, creative skill sets and the right attitude!"

Subani Seth
2003, AVM Santacruz

"AVM gave me the foundation to build a career and the character to build a life. The habit of 'continuous curiosity'. It taught me to never stop asking 'why', which has become the foundation of how I approach every new challenge in my professional life."

Suhail Bhatia
1994, AVM Bandra West

"I have lived in different countries and there is always an AVM alumni as my first 'go to' person who has helped me settle down. AVM played the most pivotal role in helping me build my value system and cultural fabric."

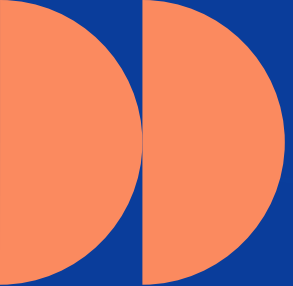

Ajay Nanda
1997, AVM Juhu

"The power of reflection. When we did something wrong, we were rarely punished but asked to ruminate. That is a powerful lesson that has helped in many an intense situation."

Prabhu Viswanathan
1980, AVM Santacruz

"AVM helped me to embrace regular studies instead of last minute cramming. This habit held me in good stead in my higher studies in dentistry and prosthodontics where I achieved Gold medals with ease."

Dr. Shambhvi Anil Malik
1996, AVM Santacruz

A legacy of timeless values and progressive education.

For 6 decades, AVM has combined academic rigour with traditional values. What began as a school in Bandra in 1967, has grown into a trusted group of schools, shaping generations of confident, grounded learners. Through changing times, AVM's core purpose has remained constant: to develop not only the intellect, but also character, self-awareness and responsibility towards society.

Our Vision

To become the exemplary Institution that develops future-ready, successful, happy individuals grounded in human values.

The AVM Values

The pursuit of truth and knowledge

Truth is discovered through curiosity, openness, and the willingness to question what we know.

Clarity of thought

To think clearly is to question, evaluate, and build understanding with purpose.

Respect and empathy

Inclusive and harmonious relationships grow where empathy is practised, respect is mutual, and fairness is valued.

Contributing to the world around us

A sense of purpose develops when we engage with our communities and contribute meaningfully.

Understanding self and nurturing well-being

Self-awareness builds balance, resilience, and confidence, supporting both personal and emotional growth.

Learning as the essence of life

Learning is a journey sustained by curiosity, shaped by dialogue, and carried forward through continuous exploration.

Taking responsibility

We reflect on the impact of our actions, make thoughtful choices, and act with a sense of responsibility towards others.

Collaboration and collective growth

Collaboration strengthens learning as we listen, contribute, and grow through shared experiences.

Sharing knowledge and expressing ideas

Ideas gain meaning when they are expressed clearly, communicated confidently and built upon together.

Independence and ownership

Students take initiative, make informed choices, and take ownership of their learning and actions.

Join one of Mumbai's most trusted schools.

Prepare your child for a future filled with
purpose, confidence and success.

Admissions to AVM are conducted through a structured online process.
